Personal Injury Protection (PIP) is the portion of the auto policy that provides coverage for medical expenses. These medical expenses are subject to policy limits, deductibles, co-payments and any applicable medical fee schedules. Additionally, these medical expenses must be for services that are deemed medically necessary and causally related to the motor vehicle accident. With the adoption of the Automobile Cost Reduction Act of 1998, several important changes have been made in the way a claim is processed. Additional information regarding Decision Point Review/Pre-Certification can be accessed on the Internet at the New Jersey Department of Banking and Insurance's website at <http://www.nj.gov/dobi/filings.htm>.

Premier Prizm Solutions, LLC (Premier Prizm) has been selected by Countryway Insurance to implement their plan as required by the Automobile Cost Reduction Act. Premier Prizm Solutions, LLC. will review treatment plan requests for Decision Point Review/Pre-Certification, perform Medical Bill Repricing and Audits of provider bills, coordinate Independent Medical Exams and Peer Reviews, and provide Case Management Services.

If certain medically necessary services are performed without notifying Countryway Insurance or Premier Prizm Solutions, LLC a penalty/co-payment may be applied. Medical care rendered in the first 10 days following the covered loss or any care received during an emergency situation is not subject to Decision Point Review/Pre-certification.

If additional information is requested, the decision will be rendered within three business days of our receipt of the additional information. In the event that Countryway Insurance or Premier Prizm Solutions, LLC. does not receive sufficient medical information accompanying the request for treatment, diagnostic tests or services to make a decision, an administrative denial will be rendered, until such information is received. If a decision is not rendered within three business days of receipt of an "Attending Provider Treatment Plan" form, you, as the treating health care provider, may render medically necessary treatment until a decision is rendered.

#### [Voluntary Pre-Certification](#)

We encourage you, as the treating health care provider, to participate in a voluntary pre-certification process by submitting a comprehensive treatment plan to Premier Prizm Solutions, LLC. for all services provided. Premier Prizm Solutions, LLC. will utilize nationally accepted criteria to authorize a mutually agreeable course of treatment. In consideration for your participation in this voluntary pre-certification process, the bills you submit consistent with the agreed plan will not be subject to review or audit as long as they are in accordance with the policy limits, deductibles, and any applicable PIP fee schedule. This process increases the communication between the patient, provider and Premier Prizm Solutions, LLC. to develop a comprehensive treatment plan with the avoidance of unnecessary interruptions in care.

#### [Independent Medical Examinations](#)

Premier Prizm Solutions, LLC. or Countryway Insurance may request an Independent Medical Examination. At times, this examination may be necessary to reach a decision in response to the treatment plan request by the treating provider. A copy of the examiner's report is available upon request.

Premier Prizm Solutions, LLC. will notify the injured party or designee and the treating provider of the scheduled physical examination and of the consequences for unexcused failure to appear at two or more appointments. If the injured party has two or more unexcused failures to attend the scheduled exam, notification will be immediately sent to the injured person or his or her designee, and all the providers treating the injured person for the diagnosis (and related diagnosis) contained in the attending physicians treatment plan form. This notification will place the injured person on notice that all future treatment diagnostic testing or durable medical equipment required for the diagnosis and (related diagnosis) contained in the attending physicians treatment plan form will not be reimbursable as a consequence for failure to comply with the plan.
